

# **N**ORTH **B**ADDESLEY **MEN'S SHED**

**Visit the  
Men's**

**Shed on Tuesdays 1.30 to 4 p.m.**

**Donations of tools, materials and bicycles always considered.**

North Baddesley Men's Shed provides its members with the shared knowledge of other likeminded individuals to discuss and work on projects in a friendly venue.

We meet in the Village Hall workshop (entrance next to Red Cross Shop). The workshop forms a larger version of a typical shed – a place to feel at home and pursue practical interests. When men come together to connect, converse, and create, they stay healthier for longer, both mentally and physically.

The Shed's members undertake a range of activities including making and mending in wood and metal, bicycle repair, building maintenance, gardening, electronics, tool renovation, and re-use/up-cycling of household items.

We provide practical help, guidance, and knowledge to others in the local community such as The Village Hall, schools, charities, and community groups.

The members mainly reside within North Baddesley.

If you wish to attend a meeting, donate or to find out more about the group, please contact us.
