Youth Bulletin - 'What it's all about and 'Who' it's for

The Junior and Senior 'Projects' Clubs, housed in the Sports Pavilion on the N. Baddesley Recreation Ground, came into being in September 2013 following a 3-month pilot Project from Sept 2012. It ran until the Covid restrictions came along.

Due to the difficulty of getting word of events and opportunities to young people in North Baddesley the Clubs have decided to produce a monthly Bulletin to keep all young people and parents informed about events and opportunities.

The Bulletin will circulate via the Parish Council website, social media, Email (if requested) and at Drop Points around North Baddesley. The Club members of both sections will be largely responsible for hands on production of pictures and articles and any research to be done.

Pictures and articles in each monthly Bulletin will provide information as to what goes on and what opportunities are afforded to young people. Young people's opinions, needs, ideas and frustrations can be voiced via the 'letters' page. In addition, results of sports fixtures can be published and any achievements of and by young people. Of course, all data rules will be meticulously followed.

The Bulletin will sport an Editor for each age group and all members will be on the production team, doing the artwork, photography, research, reporting and articles etc.

This Bulletin will provide young people with information about everything that young people in North Baddesley are doing and achieving and or wish to participate in, or access.

Senior and Junior Projects Clubs

Both 'Projects' Club's purpose is to offer the widest array of learning and positive opportunities to all of its members from 9 to 11years old (J'P'C) and 12 to 17 years old (S'P'C). Pictures and articles in Bulletins will give you a flavour of what goes on and what is planned.

Both Clubs will start up again on a regular basis from (to be announced) and continue from then on. The 'JPC' will start at 5pm and finish at 6.50pm, the 'SPC' will start at 7pm and finish at 8.45pm. Free snacks will be available at both Clubs.

How you can join:

All you have to do to join is email the Manager David Knight and he will send you a Registration Form for you and your parents to sign. Each night you attend will cost £1, which includes snacks.
