The PC thanks Mountbatten School for its help in getting news out.

Young people are strongly encouraged to participate in their local community and good works.

Dance, sing, ride, cook, shoot hoops and do!!!!!!!!!!!!!!

Opportunities, Opportunities. Opportunities!!!!!!!!!!!!!!!!!!!!!!

Would you like to be a 'Communiter'

Let's first of all clear up the mystery. A Communiter is a member of the community who gives their time, expertise, and experience to the rest of the community, where it is applicable and appropriate to help make a difference.

Breaking it down further for example, one might enjoy working with other young people to afford them every chance for good employment and a successful and healthy life, Young Communiters might like to go into residential homes or hospitals to read to residents and patients or help older folk to learn how to use the computer and raise funds for those in need.

Why not give it a social arm also, whereby Communiters might hold events or Discos etc"; sounds like a winner, good, all you need to do is volunteer and help make a difference!
