**Opportunities aplenty - get involved and enjoy!!**

It has been pointed out, quite correctly, that some articles are repeated from one issue to the next. This is because of 4 factors in the main; the first being that the **Bulletins posted on the Parish Council website** and on **North Baddesley's Facebook page** are not yet reaching all residents, especially young people. Secondly, only one issue, that being the April Bulletins, has been left at **10 'drop points'** in North Baddesley at Hairdressers and the like, this will increase. Thirdly, very few residents have filled out **Expression of Interest** forms to date. Lastly, we have received very little input from groups that operate activities and support in North Baddesley.

### **Apprenticeships for all ages**

Careers and Apprenticeships - Support and Information.

You will undoubtedly be aware by now that the North Baddesley Parish Council, Recreation Ground Charity, and the North Baddesley Youth and Community Club, working with partners Kiwi Education Ltd and a host of local and regional professionals, is building the strongest possible employment support programme for people in North Baddesley.

Apprenticeships are not just for younger people; they are for all age groups.

To this end, 9 different Apprenticeship and Careers Awareness Workshops will take place for those 18 and older in 2022. This is an ongoing project so many more and different workshops will take place in the future to allow over 18s to see what choices are available

In this Bulletin we are going to take a look in brief at another available route for an Apprenticeship. Bear in mind that the descriptions are very brief, so do not hesitate to visit their websites and do more research

and ask questions of support workers. Each subsequent Bulletin will feature more information on specific apprenticeships.

**Woodturning** is going to become a regular feature of the overall community programme in North Baddesley and of course there is an apprenticeship route to this facet also, of which this is just one.

**Work with young people**

Breaking it down further for example, one might enjoy working with young people to afford them every chance for good employment and a successful and healthy life'
